## STOCK OPTIONS GRANTED TO THE CHAIRMAN AND CHIEF EXECUTIVE OFFICER

As part of the stock options plan decided by the Board of Directors at its meeting on March 24, 2010, 100,000 stock options have been granted to Mr. Bruno Lafont, Chairman and Chief Executive Officer, representing less than 10% of the total award (threshold determined by the Board of Directors in implementing the Afep-Medef's recommendations) -and 0.03% of the current share capital-.

All the stock options granted to Mr. Bruno Lafont are subject to the achievement of external performance conditions (Lafarge's performance as benchmarked against a group of peer companies in the sector) and internal performance conditions (pre-defined levels of free cash flow and return on capital employed (ROCE)). The number of stock options that may be exercised will depend on the level of achievement of these conditions.

The exercise price was fixed at €51.3.
